

FOR SALE

The Plover Wastewater Utility is accepting bids on a 1998 Sewer Equipment Co of America model 747-SP trailer jet. The machine is being sold as is with no expressed or implied warranties. The unit has approximately 1800 hours of use and includes the following features:

- Cummins diesel engine
- Triplex pump rated at 40 gpm @ 2000 psi.
- 600 gallon plastic water tank
- 600 feet of ¾" 2500 PSI hose with one season of use
- Level rewind system

Interested bidders will state their bid amount and bidder contact information on official company letterhead. Bids will be placed in a sealed envelope with "2008 Trailer Jet Bid" written on the outside of the envelope. **The deadline for accepting proposals is 4:30 pm on Thursday May 15, 2008.**

Bids may be mailed to:

Village Clerk
Village of Plover
P. O. Box 37
Plover, WI 54467

Final action will be taken at the May 21 Village Board meeting. The Plover Wastewater Utility reserves the right to reject any or all bids.

For questions, clarifications, or to arrange an inspection of the machine, please contact Rich Boden, Plover Wastewater Utility at (715) 345-5259.
