To: CSWEA Executive Committee  
From: Scott Trotter, WEFTEC Reception Chair  
RE: WEFTEC'07 CSWEA/IWEA Welcome Reception  
Date: October 12, 2007

This year's reception will be held at the Manchester Grand Hyatt on Sunday, October 15<sup>th</sup>. We are expecting a great turn-out for the WEFTEC Reception with CSWEA/IWEA attendees, vendors and WEF Dignitaries. We have modified the format as discussed at previous Executive Committee meetings. While we have the room reserved from 5-8, the reception will be held from 5:30 to 7:30.

We have reduced the food order and directed the caterer to deliver the items in a staggered sequence. This will ensure that the food is not gone in the first half hour, eliminating the need to reorder. The order includes: Antipasto platters (Veges, cheese and meat), Double Dip platters (crab & pita/ black bean & tortilla chips), Southwestern Chicken in Phyllo and Beef Empanadas. Estimated cost - \$5,000 + taxes

As usual, it will be an open bar, but only from 5:30 to 7:30 during the designated time. The bar will be a cash bar from 5 to 5:30 and 7:30 to 8. This will significantly reduce the bar bill, but allow people to still have one early or late but at their own expense. Estimated Cost \$5,000.00 + taxes

In preparation for the event, CSWEA solicited corporate sponsors to offset the expense of the event, through the use of e-mails, telephone calls and direct contact. We received donations from fifty-two firms (six more than last year) equating to roughly \$15,600. We have attached a sponsor list. I would like everyone to take time to thank them for their contributions.

## Sponsor List

AGCO/ Ag-Chem Equipment	ITT Flygt
Applied Technologies, Inc.	ITT Sanitaire
Ashbrook Simon-Hartley	JWC Environmental
Baxter & Woodman	Lakeside Equipment
Black & Veatch	LAI, Ltd.
CH2M Hill	Malcolm Pirnie, Inc.
CTE Engineers	Moyno Industrial Products
Clark Dietz	Natgun Corporation
Crawford, Murphy & Tilly	Peterson & Matz
DeZurik Water Controls	Rezek, Henry, Meisenheimer & Gende
Donohue & Associates	River City Construction
Doonan Environmental	Rotork
Drydon Equipment	RPS Engineering
Earth Tech	Shaw Environmental
Electric Pump	Siemens Water Technologies
Energenecs	Strand Associates
Flow-Technics	Symbiont Science
Future Pipe Industries	Engineering & Const.
GA Industries	Temcor
Gasvoda Associates, Inc.	Tnemec Company, Inc.
Greeley and Hansen	Trojan Technologies
HDR Engineering	Trotter & Associates
Howard R. Green Co.	Visu-Sewer
HydroAire/ KJI Hydro	Walker Process
IHC Construction Co.	Walter E. Duechler
I. Kruger, Inc.	Wemco
Instrument Control Systems
