

U.S. Stockholm Junior Water Prize

The Stockholm Junior Water Prize is world's most prestigious youth award for a water-related science project. The prize taps into the unlimited potential of today's high school students as they seek to address current and future water challenges.

CSWEA as a member association of the **Water Environment Federation** is proud to sponsor the Stockholm Junior Water Prize competitions held in Illinois, Minnesota, and Wisconsin. For additional information on the SJWP competition please click on the link below:
