CSWEA 90th Annual Meeting

May 22-25, 2017 | InterContinental Riverfront, St. Paul, MN

DEAR EXHIBITOR:

The Central States Water Environment Association (CSWEA) will be holding its 90th Annual Meeting at the InterContinental Hotel, St. Paul, Minnesota on May 22-25, 2017. CSWEA is comprised of water pollution control professionals including facility operators and managers, consulting engineers, regulators and educators from Minnesota, Illinois and Wisconsin. InterContinental Riverfront is a beautiful venue and we have organized an exceptional technical program to accompany our exhibits. The CSWEA Annual Meeting provides a great opportunity for your organization to market your products and/or services to decision makers involved in all facets of the water pollution control field.

Reservations are now being accepted for vendor exhibition. **Each booth will include one pass for each exhibitor.** You will have the option to purchase up to 3 additional passes. If you plan on having more than one person at your booth, please purchase extra passes. If you register by February 17, 2017, you will be assured of a listing in *Central States Water* magazine showing the location of your booth on the exhibition floor. Your name will be listed on the sponsors' page in the magazine. There will also be sponsor poster boards placed at key locations during the conference. **Please note the registration deadline of February 17, 2017, to have your company listed in the Central States Water magazine.**

The exhibits will be open two days: Tuesday, May 23 and Wednesday, May 24. The conference is being arranged to provide longer **breaks during the technical sessions with refreshments served only in the exhibit hall. We will continue the incentive pricing structure, introduced two years ago, which will bring more utility members and new attendees to the conference (for more details, see the Winter 2016 Central States Water magazine issue).**

There are also other **sponsorship** options for your company. There will be sponsors for the golf outing, 5K walk/run, various event sponsorship (meet and greet, Tuesday Social, etc.) and conference sponsorship. These opportunities are also available online. We want to thank you in advance for exhibiting and look forward to seeing you at the conference. Please do not hesitate to contact Tim Korby or Matt Fritze as listed below.

Sincerely,
