IWEA and CSWEA LIFT Committee Tour

Aqua-Aerobic Research and Technology Center and AquaNereda® Demo Plant

Event Date: Friday, June 29

Event Time: 1pm

Location: Aqua-Aerobic Research & Technology Center located at the Rock River Water Reclamation District
3333 Kishwaukee Street
Rockford, IL 61109

AGENDA

1:00 p.m.

Attendees arrive Aqua-Aerobic Research and Technology Center

1:05 p.m.

Overview of Aerobic Granular Sludge Technology

This presentation will introduce attendees to AGS technology and will include supporting data and technical information.

1:20 p.m.

R&T Center Product Stations Overview

A brief overview of the full-scale cloth media filtration technologies currently used for testing will be introduced to attendees.

1:30 p.m.

Depart Research and Technology Center to AquaNereda® demo plant

1:40 p.m.

AquaNereda® Demo Plant Presentations

A brief presentation will be provided explaining the in-basin equipment and instrumentation installed at the demo plant.

An on-site grab sample will be collected and sieved so that participants can see viable granules.

A second demonstration will illustrate the granule's settled state relatively unaffected during the simultaneous fill-draw sequence.

2:30 p.m.

Tour concludes – attendees exit

Maximum Number of Participants: 30

No photography will be permitted at the AquaNereda® demo plant

Please join us after the tour at the Prairie Street Brewing Company (200 Prairie Street, Rockford, IL 61107) to learn more about the IWEA and CSWEA LIFT Committees and talk about water innovation!

Nereda is a registered trademark of Royal HaskoningDHV
