2:00 pm – Seneca Wastewater Treatment Plant Tour *

3:30 pm – Closing Comments

3:35 pm – CSWEA & MWOA Joint Planning Meeting (All are Welcome)

* All visitors 18 years of age or older who tour MCES facilities must submit their full name and date of birth about one week prior so we can complete a required security review. These same visitors will also need to bring a government-issued photo identification card with them the day of the tour and be prepared to show it to prove identity. Examples of acceptable identification include a state-issued driver’s license, a state-issued identification card, and a VISA (aka “green card.”)

Visitors are advised to dress for the weather the day of the tour, since about 1/3 of the visit will take place outdoors. In addition, all visitors are required to wear clothing that completely covers the legs and shoes that completely cover their feet, for safety and comfort. Please note that no personal items or food or drink can be brought on the tour, and no videos or photographs can be taken while the tour is in process.
