2020

APRIL 6, 2020
MONONA TERRACE
MADISON, WI

MEET
FUTURE
WASTEWATER
PROFESSIONALS

The Midwest Student Design Competition is intended to promote 'real world and hands on' design experience for students interested in pursuing an education and/or career in water/wastewater engineering and sciences field. This is a unique opportunity for students at the college level to demonstrate their design for a water quality-based project and presenting their project to water industry professionals.

An estimated 60-80 Students attending from throughout the Midwest and Costa Rica!

Teams include entries from:
