UTILITIES MAINTENANCE WORKER II

Posted: October 18, 2021

Position Summary

The City of Elmhurst is seeking a motivated professional to join our team! This position operates and maintains the City of Elmhurst Utility (water, wastewater, and stormwater) systems. Under general supervision, this position performs general maintenance functions on the utility assets, such as underground water, sanitary and storm systems, and water meters. Other essential functions include but are not limited to:

- Operating equipment such as air compressors, jackhammers, concrete saws, valve turning machines, acoustical monitoring devices, and meter installation devices.
- Participating in the construction, maintenance, and repair of water, sanitary and storm sewer lines, inlets, and manholes.
- Participating in repairs/replacement of water services, water main breaks, water valves, hydrants and installation of water taps.
- Assisting in the operations of televising/flushing equipment.
- Driving medium to heavy-duty trucks in hauling materials and equipment.
- Performing snow removal and salting of roadways.
- Completing routine reports on work performed on computerized management maintenance system, via tablet.

Qualifications

A high school diploma or equivalent with a minimum of one year of experience in construction, maintenance and repair of water, sanitary and storm sewer systems. Previous experience operating heavy equipment such as a backhoe and end loader is strongly preferred. Candidate must possess a valid Class "A" CDL driver's license with tanker endorsement, or obtain one within one year of hire.

Starting pay commensurate with experience. The hourly range for this position is \$26.82 to \$34.88 depending upon experience. An excellent benefit package is provided.

Interested candidates should submit a resume and cover letter at Elmhurst.org/jobs *immediately*. Only online submission materials are accepted. This position will remain open until Monday, November 8, 2021.
