GREEN LAKE CONFERENCE CENTER W2511 WI-23, GREEN LAKE, WI 54941

RESILIENCY SEMINAR INFO

This seminar typically provides a place for operations discussions, but this year we've put a different twist on it. The seminar will focus on Resiliency through difficult times such as these where attracting and securing qualified employees is so challenging when vacancies are abundant. Where Cyber Security is a newer concern that facilities should take seriously and better understand what to do. And lastly taking a look at capital projects in terms of procurement and supply and material lead times and how that is impacting your budget and decision making now and into the future. (5.8)hours of WI DNR CEU's will be provided.

DATE: Thursday, February 2, 2023

FEE: \$50 attendee preregistration by 1/19/23, or \$60 on or after 1/20/23. (Fee includes program materials, breaks, lunch.) Student registration \$20.
