

# SPONSORSHIP OPPORTUNITY

at the

## **40<sup>th</sup> ANNUAL INNOVATIVE APPROACHES TO WASTEWATER OPERATIONS CONFERENCE**

Dear Potential or Past Sponsor,

We are currently planning the 40<sup>th</sup> annual "Innovative Approaches to Wastewater Operations Conference", which will be held February 8, 2023 in St. Cloud Minnesota at the St. Cloud River's Edge Convention Center. This conference is co-sponsored by the Minnesota Wastewater Operators Association and the Minnesota Section of the Central States Water Environment Association. These are two non-profit organizations dedicated to providing opportunities for educational growth to its members. An estimated 150-200 wastewater professionals: operators, plant managers and consultants will attend the conference.

We have appreciated the generosity of those who sponsored our conference in the past. These sponsorships are a significant part of conference financing and provides critical local support to CSWEA and MWOA. This results in a better conference program which benefits everyone involved in the wastewater industry.

We are asking for your generous support to help financially with the 2023 Conference. Available sponsorship levels include: Silver at \$350 or Gold at \$600. Your contribution would be recognized by including your company logo in the program distributed at the conference and displaying it at the conference. The Silver sponsorship includes one conference registration while the Gold sponsorship would include two conference registrations.

Online registration is available at <http://cswea.org/minnesota/events/upcoming-events/>. Electronic payment is preferred and can be completed during registration. For payment by check, please make the check payable to "CSWEA", write Innovative Conference Sponsor in the memo line and send to the address below.

Following registration, please submit a current company logo to [elizabeth.kramer@ci.stcloud.mn.us](mailto:elizabeth.kramer@ci.stcloud.mn.us) or [tkorby@hrgreen.com](mailto:tkorby@hrgreen.com) so that it can be included in the program and signage. If you have any questions regarding sponsorship, please contact Tim Korby by phone at 612-655-9878 or by e-mail at [tkorby@hrgreen.com](mailto:tkorby@hrgreen.com).
