[cbuckley@eeiweb.com](mailto:cbuckley@eeiweb.com)

Tel: 630-466-6790

All topics regarding biosolids, energy efficiency, or resource recovery will be considered. Potential topic categories include:

- Day-to-day treatment, Hands-on experience with biosolids, energy and waste recovery facilities.
- Topics in new emerging concerns (PFAS, etc.).
- Case studies presented from an operations perspective, young professionals, and middle management.
- Topics in new and innovative biosolids, or energy waste recovery technologies.

**Deadline:** August 24, 2023
