# 2024 CSWEA Wisconsin Operations Seminar

Thursday, February 22<sup>nd</sup> 2024

University of Wisconsin Stevens Point  
Dreyfus University Center  
1015 Reserve St, Stevens Point, WI 54481

## SEMINAR INFO

The 2024 Wisconsin Section Operations Committee Conference will be held on February 22nd in Stevens Point, Wisconsin. Every year we bring together operations professionals, facility managers, engineers and education leaders to share ideas and find solutions to our industry's leading challenges. This year's seminar will focus on troubleshooting microscopy and dissolved oxygen (DO) processes, as well as discussing tricks of the trade in our industry. This will be an in person conference and will include a variety of presentations, panels and roundtables. As always, a representative from the Wisconsin DNR will be present to provide updates in our field. Don't miss this opportunity to connect and learn with industry professionals!

**DATE: Thursday, February 22, 2024**

**WHERE:** University of Wisconsin Stevens Point, Dreyfus University Center, 1015 Reserve St, Stevens Point, WI 54481
