CSWEA'S 98TH ANNUAL MEETING

DEAR EXHIBITOR:

The Central States Water Environment Association (CSWEA) will be holding its 98th Annual Meeting at Monona Terrace in Madison, WI on May 28-30, 2025. CSWEA is comprised of resource recovery professionals including facility operators and managers, consulting engineers, regulators, and educators from Wisconsin, Minnesota, and Illinois. Renaissance Schaumburg is an excellent venue and we have organized an exceptional technical program to accompany our exhibits. The CSWEA Annual Meeting provides a great opportunity for your organization to market your products and services to decision makers involved in all facets of the water and energy recovery industry.

Reservations are now being accepted for vendor exhibition. **Each booth will include one pass for each exhibitor.** You will have the option to purchase up to three additional passes. If you plan on having more than one person at your booth, please purchase extra passes. If you register by February 7, 2025, you will have a listing in the *Central States Water* magazine showing the location of your booth on the exhibition floor, your name will be listed on the sponsors' page in the magazine, and there will be sponsor poster boards placed at key locations during the conference.

Please note the registration deadline of February 7, 2025, to have your company listed in the *Central States Water* magazine.

The exhibits will be open two days: Thursday and Friday, May 29 and 30. **The conference is being arranged to provide breaks during the technical sessions with refreshments served only in the exhibit hall. We will continue the incentive pricing structure, which will bring more utility members and new attendees to the conference.**

There are also **sponsorship** options for your company. There will be sponsors for the wifi, golf outing, 5K walk/run, various event sponsorship (Meet & Greet/Social, etc.) and conference sponsorship. We want to thank you in advance for exhibiting and look forward to seeing you at the conference. Please do not hesitate to contact Cathy Wunderlich or Tom Mulcahy as listed below with any questions.

Sincerely,

Cathy Wunderlich

EXHIBITOR OFFERINGS

In order to ensure that the Exhibit Hall has good traffic and that Exhibitors have ample networking opportunities, we offer the following:

- Exclusive exhibit hall hours: No technical sessions will be held during this time
- Longer breaks during the Technical Sessions
- Coffee breaks and refreshments in the Exhibit Hall
- Thursday Lunch and Reception in the Exhibit Hall
- Utility Rate for increased traffic
- Global Water Stewardship Silent Auction in Exhibit Area
- Sponsorship Opportunities
- Listing in the Daily Planner/App
- Career networking opportunities
- Prize Drawings during Exhibit Hall

CAREER NETWORKING OPPORTUNITIES

Please help keep our water sector strong. We will have opportunities for job seekers and employers to connect throughout the conference. Building a strong water workforce is something important today and in the future. All who are interested in meeting new candidates, looking for career growth, or learning about opportunities should participate. Exhibitors may participate by encouraging attendees with career growth questions to seek your input while at your exhibit booth. Your booth will be marked with a balloon. Just indicate your commitment on the registration form. **Participate in this opportunity to inspire, engage, and recruit the next generation of water professionals.**

TECHNICAL PROGRAM

The CSWEA Annual Meeting technical program is the best in the Midwest and attracts many engineers, utility managers, plant superintendents, academics, and students. We feature over 60 presentations on the following topics: Collection Systems, Digestion, Energy Production, Recovery and Efficiency, Ethics, Industrial/Pretreatment, Information Technology, Leadership/Soft Skills, Nutrients, Operations & Maintenance, Research & Design, Residuals, Solids and Biosolids, Resource Recovery, Stormwater, Utility Management, Water Reuse, Watersheds, and Stormwater Management.

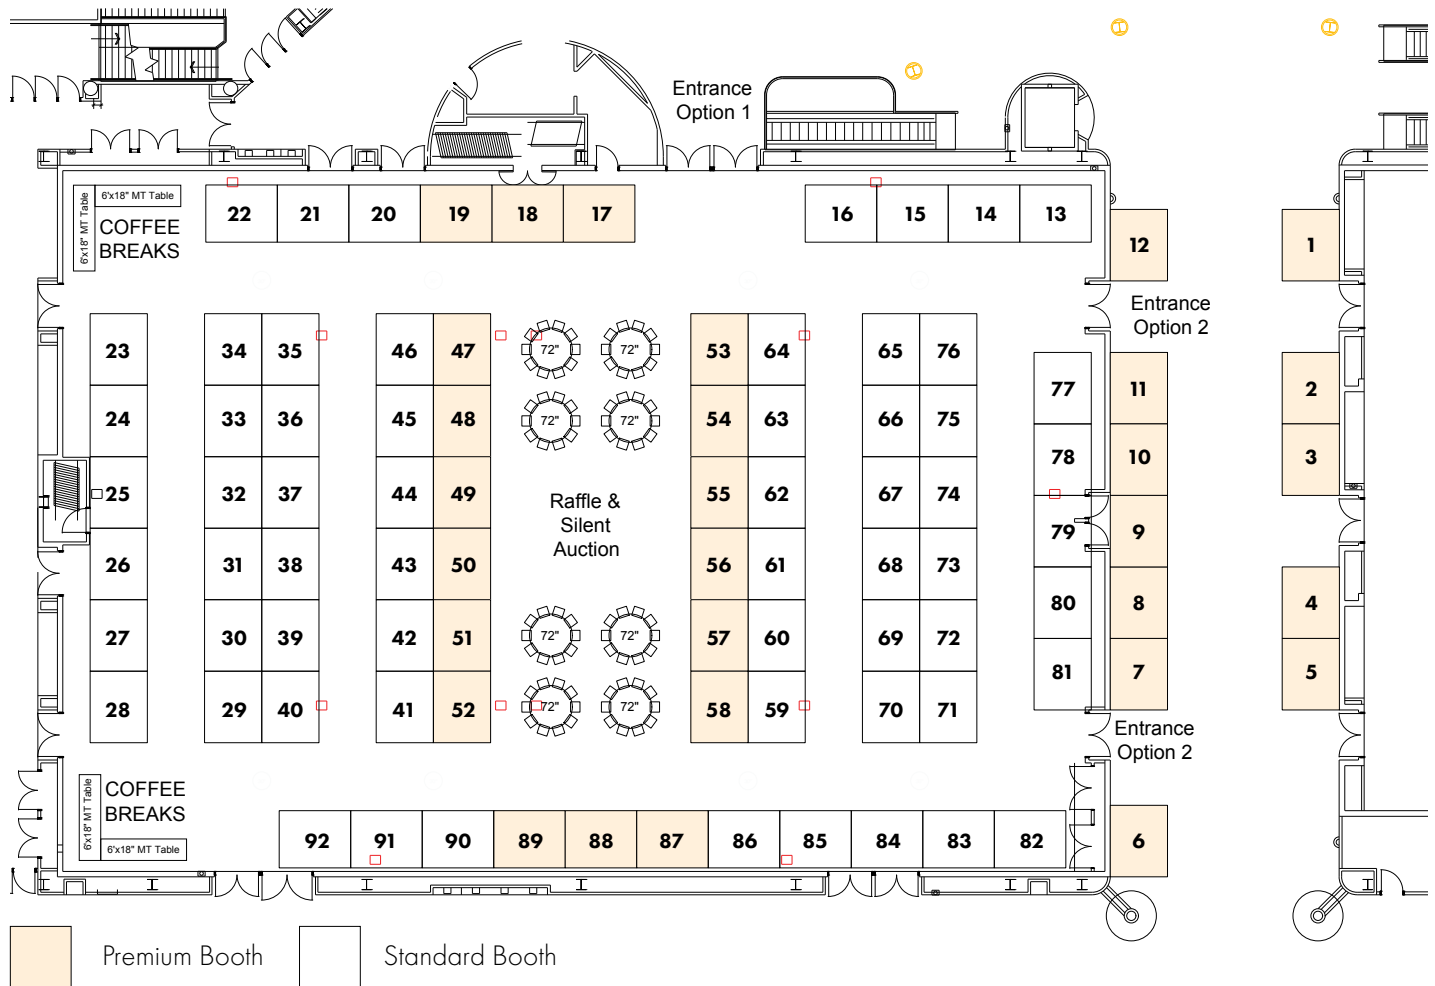

CONNECT WITH WATER PROFESSIONALS

CSWEA's Annual Meeting has some of the best attendance of a regional conference focused on professionals in the water quality field due to our high quality programming; our attendance numbers continue to increase over the years.

CSWEA'S 98TH ANNUAL MEETING

EXHIBITOR RULES and REGULATIONS

1. LOCATION OF EXHIBITS: The conference will be held at Monona Terrace Convention Center in Madison, WI. All measurements and booth layouts shown on the floor plan are as accurate as possible, but the Central States Water Environment Association (CSWEA) reserves the right to make such modifications and changes in booth assignments as may be necessary to adjust the floor plan at any time to meet the needs of CSWEA, its Attendees and Exhibitors.

2. EXHIBITOR EQUIPMENT AND SERVICES: Standard booth size is 10'W x 8'D with a back that's 8' high unless otherwise noted on the floor plan. Each booth will include one 8' skirted table, two chairs, side-rails and drape backdrop for each booth in addition to one company identification sign. Exhibitors shall notify the CSWEA office with any specific requests pertaining to oversized equipment or other items. CSWEA holds the right to deny exhibitors permission to show specific pieces of equipment, displays, etc., based on dimensions and/or weight.

3. APPLICATIONS: Applicants must use the Exhibit Space Application or Online Form to request a booth space. Payments must accompany the application and contract. Return Exhibit Space Applications to CSWEA by email to ahaque@cswea.org or mail to: CSWEA, 1021 Alexandra Blvd, Crystal Lake, IL 60014 or online at www.cswea.org.

4. ASSIGNMENT OF SPACE: Booth reservations will be assigned by the Local Arrangements and Exhibit chairs based on the optimal arrangement, taking in to consideration vendor type and available space. Exhibitors who wish to avoid assigned space adjacent to that of another exhibitor should so indicate on the application. Exhibitors who desire assignment next to each other should submit their applications together; however, each will need to submit a separate application form. Booth assignment information will be forwarded to the exhibitors within a reasonable time prior to the Conference.

5. EXHIBITOR SERVICE KIT: The kit will be provided by Valley Expo and will contain order forms and shipping instructions from the official service contractor for your booth space. Exhibitors will be notified electronically. Note: Electrical hook-up is NOT included in the registration price. All booths can have electrical connection available to them but needs to be ordered separately.

6. INSTALLATION OF EXHIBITS:

Wednesday, May 28, 2:00 PM to 6:00 PM
and Thursday, May 29, 6:00 AM to 9:00 AM.
All exhibits must be set up by 9:00 AM on May 29.

7. EXHIBIT HOURS

Thursday, May 29, 9:00 AM to 6:00 PM
Friday, May 30, 9:00 AM to 12:00 PM

8. DISMANTLING OF EXHIBITS: No packing or dismantling of exhibits will be allowed until the official closing of the exhibit area at 12:00 PM on Friday, May 30. Failure to abide by this policy will result in loss of booth selection preference priority for the 2026 Annual Meeting. All exhibits must be removed from the exhibit area by 3:00 PM on Friday, May 30. Materials not removed by this time will be put in storage at the Exhibitor's expense. There is no space available for storage of empty cartons, crates, etc. Arrangements may be made with the exhibit service contractor for storage.

9. EXHIBIT SET-UP AND DISMANTLING, including unloading and loading of materials and equipment, is governed by guidelines for the facility and may involve Union Rules. Please check with the exhibit service contractor for any specific rules that may apply. Electrical is available for an additional fee. Please purchase electrical connection with your exhibitor registration.

10. EXHIBIT FACILITY: The Exhibitor assumes responsibility and liability for losses, damages and claims arising out of injury or damage to the Exhibitors' displays, equipment and other property brought upon the premises of the Monona Terrace Convention Center and shall indemnify and hold harmless Monona Terrace Convention Center and CSWEA and their agents, servants, and employees from any and all such losses, damages and claims. There is no other agreement or warranty between the Exhibitor and CSWEA except as set forth in this document. The rights of CSWEA under this contract shall not be deemed waived except as specifically stated in writing and signed by an authorized officer of CSWEA.

11. SECURITY AND INSURANCE: The Exhibitor is solely and fully responsible for their own exhibit material and should insure their exhibit against loss or damage from any causes whatsoever. All property of the Exhibitor is understood to remain in its care, custody, and control in transit to or from or within the confines of the Renaissance Schaumburg Convention Center.

EXHIBITOR RULES and REGULATIONS (continued)

12. CARE OF BUILDING AND EQUIPMENT: Exhibitors or Agents, must not injure or deface the walls or floors of the building, the booths, or the equipment of the booths. When such damage appears, the Exhibitor is liable to the owner of the property so damaged. All materials used in decorations must be flameproof. Electric wiring must conform to Electric Code Safety Rules, and all applicable fire laws, electrical codes and other laws, which affect the installation, conduct and disassembly of the exhibit. Combustible material, fireworks or explosives are not permitted in the exhibit hall. Motor vehicles, engines, motor or machinery are not permitted in the exhibit hall. Helium balloons are only allowed if they are securely anchored to exhibits. Absolutely no helium balloons may be given away or sold. If balloons are lost, the Exhibitor shall be responsible for the balloon removal fee according to the current prices list. Exhibitors cannot give out food and beverage that is not relevant to their business. Candy samples are permitted. All other food and beverage items must be purchased through Monona Terrace Convention Center. The Exhibitor shall also comply with all reasonable requests of officials of the Monona Terrace Convention Center with respect to installation, conduct and disassembly of its exhibit.

13. CANCELLATION OF EVENT: In the event that it is necessary to cancel a portion of or all of the CSWEA 98th Annual Conference and the exhibits, due to any cause beyond the direct control of CSWEA including, but not limited to the damage or destruction of the convention and exhibit building, labor strikes, pandemic restrictions, or adverse weather conditions, the Exhibitor shall be reimbursed only for actual direct costs not incurred by CSWEA that are covered under CSWEA's insurance policy.

14. CANCELLATION OF EXHIBIT REGISTRATION: In the event that an Exhibitor desires to cancel a reservation, CSWEA must receive a request for cancellation in writing at least 15 business days prior to the event. A refund will only be granted if CSWEA is able to fill the reserved booth with a replacement Exhibitor. Exhibitors that fail to show for the Conference or do not setup their booth within the guidelines established, will result in loss in booth selection preference priority for the 2026 Annual Meeting.

♥ SUPPORT CSWEA TODAY!

Make 2025 The Year You JOIN US

ABOUT US:

CSWEA is a 100% independently funded non-profit group. Our success comes from supporters like you.

CSWEA is a non-profit professional member association of the Water Environment Federation and a 501(c)(3) organization.

All our funding is exclusively sourced through membership dues, event participation, sponsorships, and advertising revenue.

We are grateful for each and every commitment you can make. Thank you.

Please support CSWEA today! See individual programs for participation deadlines. Email, fax, or mail completed forms in this booklet, or visit www.cswea.org/membership.

Currently, over 35% of the earth's population lacks access to proper sanitation. That's more than 1 in 3 people.

This leads to billions of gallons of untreated wastewater being discharged directly to rivers, ponds, and streams – leading to both disease and environmental degradation.

Global Water Stewardship (GWS) was established in 2013 by CSWEA, a member association of the Water Environment Federation (WEF). The organization steadily grew utilizing the tremendous talent of CSWEA and WEF water treatment professionals, as well as passionate students and working professionals, from various backgrounds, dedicated to making a positive impact.

In 2017, GWS became a 501(c)(3) non-profit organization, still working to improve health and quality of life for those lacking sufficient resources and experience in proper sanitation methods. A centralized sanitation system enhances a community's prosperity and dramatically reduces mortality and poverty. Addressing sanitation is so important that it remains our number one priority today and we work to achieve that through educating the public and engineering sustainable centralized solutions to keep waterways clean and communities healthy.

When you invest in us, we invest in the world. For more information, please visit www.globalwaterstewardship.org
